FOREWORD . . .

Between the covers of this yearbook we, the Class of 1950, would like to relate to you our high school experiences.

We would like to express our deep appreciation to the faculty for their help in guiding us and preparing us for the future which we have tried to express in these fantastic designs. Their advice will be helpful in adjusting ourselves to the new life we must face very shortly. Through all our hard work we have had some fun in work as well as in recreation.

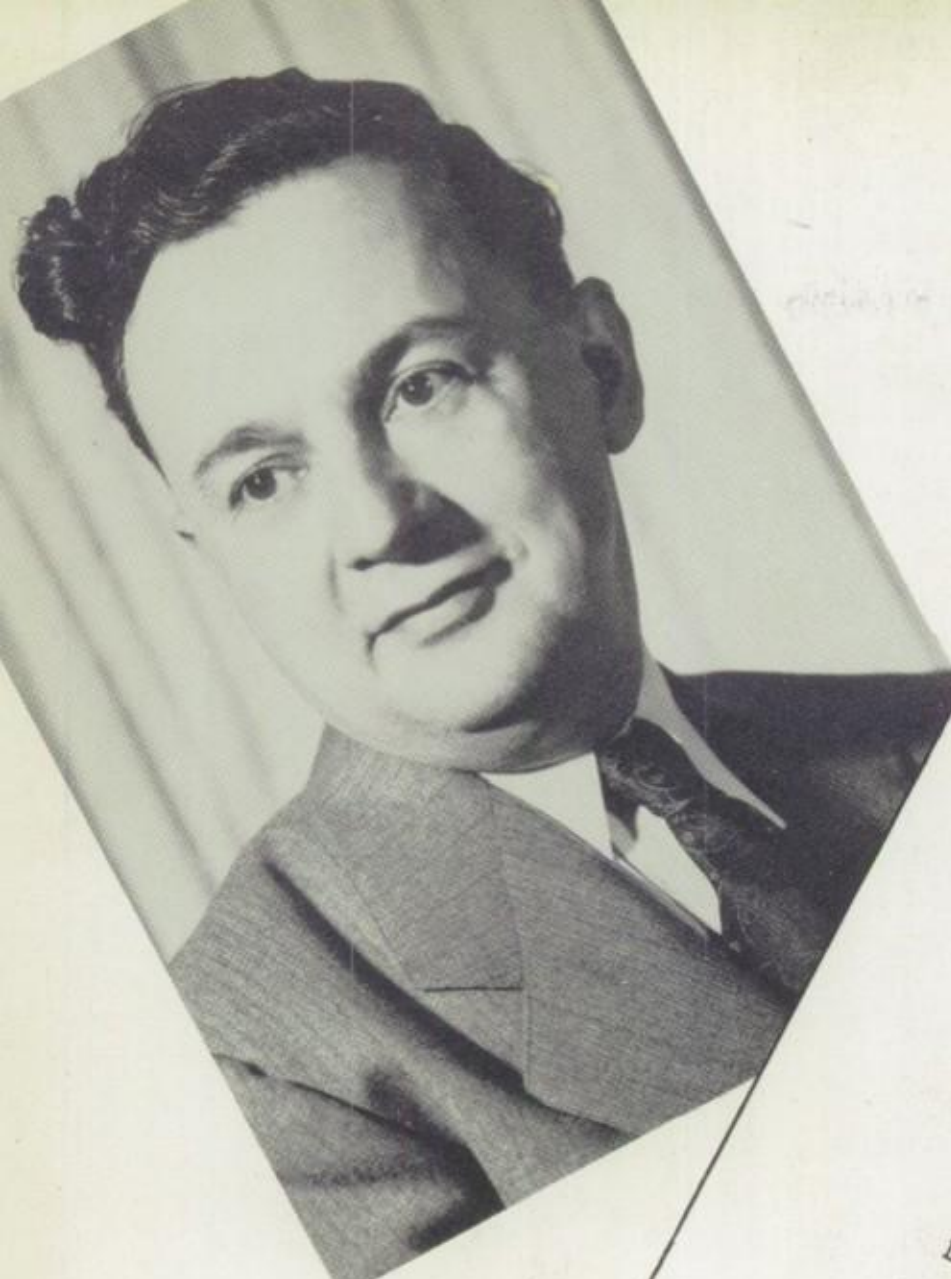

We will never forget our Alma Mater for we realize that the years were so short and that we may never again return. In this yearbook, in pictures and in words, we may return as often as we wish through memories of bygone days.

Dear Members,

No doubt you realize you are graduating into an unpredictable world, a world confused by many serious problems. Some of these problems are: the atomic bomb, the hydrogen bomb, the international problems of labor and industry and their many national problems of labor and industry and their many entanglements.

In a few years you will replace the people who are struggling now to solve these far-reaching difficulties. You are the nation tomorrow. Yours will be the decisions to be made, the action to be taken, the government to be operated.

In our Womelsdorf Schools you have received the training and experiences so vital in making right decisions, wise choices, good judgment, and honest application of your abilities. Make use of that opportunity which you have just now completed. Yours is a golden education which you have just now completed. Your community has placed in you. It is up to you to make the best of that opportunity. I know you will give a good account of yourselves.

You have my best wishes for your success and happiness.

Sincerely yours,
Lester F. DeLong

CLASS HISTORY

Our class began its climb up the ladder as a class of twenty-six in 1938. In the years that followed, many have joined us but many others have left. Annually our class participated in the Hallowe'en parades, and in our eighth year we had a Hallowe'en party of our own.

In ninth grade our class increased in size because of students from Rehrersburg, Host, and Bethany joined us. During that year, our only activity was a Christmas party.

But as we entered our tenth year, the class decided it was time to raise more funds to enlarge the treasury. To do this we sold Christmas seals and emblems sporting the high school name. One of our activities in our Sophomore year was a hayride. Our class officers that year were: President, Robert Bloss; Vice President, Phyllis Strause; Secretary, Robert Shartle; Treasurer, Sara Eiler.

As we became Juniors our activities began in full swing. The first thing we did was to organize a Blanket Club. Our Junior Class Play was a riotous mystery-comedy called "Hobgoblin House." Our first dance was held in January and was called "The Winter Whirl." Our most important dance was the Junior Prom. At this dance, our Prom Queen, Esther Mae Gable, was crowned by last year's queen, Betty Hess. Our class officers that year were: President, Peter Grimes; Vice President, Richard Gerhart; Secretary, Joanne Matthew; Treasurer, William Grimes.

And now we have at last reached the goal which we have been striving for. We are at last Seniors. As we reach the top of the ladder we realize that our work and the hard struggle have all been compensated by a lot of fun and pleasure. Among our many pleasant activities, a hayride is foremost. We had two dances, one in October called "The Witches Frolic" at which a prize was given to anyone who could guess the Mystery Man. Our second dance was entitled "The Snow Ball." The class play was a hilarious three-act comedy called "Everybody's Getting Married."

We know that our class officers have always done their best to make these years a success, and we would like to express our deep appreciation for their efforts. Our class officers during this Senior year are: President, Donald Dengler; Vice President, Robert Shartle; Secretary, Joanne Matthew; Treasurer, William Grimes.

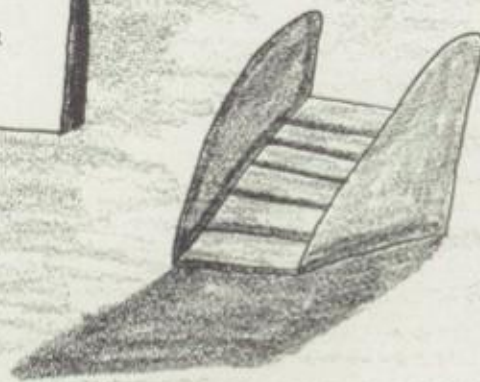

Our class colors are pale green and white, and our class flower is the white rose. The class motto, which we know will help us in our future years, is "The Road Called Toil Leads to the City Called Success."

We wish to express our sincere thanks to the faculty, pupils, townsfolk, and parents who patronized all our class ever undertook to do. Our thanks also goes out to our Senior Class adviser, Mrs. Coppola, and to Mr. Gibson for helping us in the making of this yearbook.

CLASS WILL AND TESTAMENT

¶ We, the corporate body of the witty vivacious Class of 1950 Anno Domini, presently having our being in the academic course of Womelsdorf High School within the County of Berks and the State of Pennsylvania; being declared by duly constituted authority to be intellectually alert, mortally sound and morally responsible we do, by the rights and privileges that are our priority, devise and direct that all our worldly, as well as intellectual, ethical and virtuous effects and assets be disposed of to wit as follows:

First—We enjoin upon those who shall execute this our last will and testament that all our variable indebtedness be fully and properly satisfied with unyielding exactitude and vigilance.

Second—To the delightful members of the Junior Class we give and bequeath the happy ability of satisfactorily completing all work and assignments just in time for the "twelfth hour."

Third—To strengthen their perseverance we bequeath to the fluctuating Sophomores our ability to accumulate a most enheartening balance in their treasury.

Fourth—With a sincere bent toward conservation in these days when time and energy are so wantonly wasted, we give and bequeath to the aspiring Freshmen our coveted talent of attaining set goals with a minimum expenditure of energy.

Fifth—To Donald Schwartz we coyly confer the silliness and the apt ability to do shorthand now possessed by Joyce Behney.

Sixth—The chivalrous manners and the musical talent of Robert Bloss we award to Ronald Auman.

Seventh—To Larry Gerhart we give and bequeath Robert Boyer's art ability and his strong bias for the "country."

Eighth—We present the tranquil manner and natural curls of Janice Brehm to Joyce Potteiger.

Ninth—To Joan Herbine we give and bequeath the stately stature and affinity for a certain "Senior" lad presently associated with Madelyn DeLong.

Tenth—We bestow the talkativeness and the competent leadership of our President, Donald Dengler, upon Fay Jones.

Eleventh—We bequeath Donald Dissinger's captivating appearance and fondness for hunting to Johnny Haak.

Twelfth—Upon Carrie Bright we confer the high scholastic standing and friendly manner of Sara Eiler.

Thirteenth—The coquetry and impulsive blush of Joan Fetter we bestow upon Kathryn Snyder.

Fourteenth—We give and bequeath Jean Filbert's red locks and her amazing ability in sports to Pauline Schwartz.

Fifteenth—The striking features of Esther Mae Gable plus her affection for that Womelsdorf Grad we bequeath to Rae Jones.

Sixteenth—To Leroy Zerbe, we award Richard Gerhart's suavity and his capacity for teasing the opposite sex.

Seventeenth—We give and bequeath to debonair Donald Eck the agrarian aptitudes and the beautiful black wavy hair of Quentin Gettel.

Eighteenth—The basketball prowess of Henry Gosch and Henry's fascination for Lebanon we present with our compliments to William Barry.

Nineteenth—Charlie Hartman shall be the recipient of Peter Grimes' companionable nature and coöperative spirit.

Twentieth—We tender to David Seyler the fondness for airplanes and the attraction for Myerstown that now dominates William Grimes.

Twenty-first—To Julia Anderson we give and bequeath the homemaking ability and amiable personality of Betty Gross.

Twenty-second—Upon Franklin Millonis we bestow the suavity and inordinate love for jeeps of Roger Kauffman.

Twenty-third—We award Marlin Lengel's flair for trouble and utter oblivion of the fair sex to Roy Rosenberger.

Twenty-fourth—We bequeath to Sue Boyer the esteem for 4-H Club activities and the affection for a Stouchsburg beau now within Mary Manbeck.

Twenty-fifth—The freckles and the ability of Joanne Matthew to accomplish set goals we accord to Louise Warren.

Twenty-sixth—We give and bequeath to Louis Brown the financial genius and charming personality of Dolores Moore.

Twenty-seventh—We confer upon Jane Flickinger the sweetness and the ardor for red hair now so vital with Dorothy Nicholas.

Twenty-eighth—We give Gloria Putt's cooking technique and giggle to Elizabeth Rhodes.

Twenty-ninth—To James Dengler shall be assigned the shy though tantalizing manner of Edgar Seigfried together with his financial wizardry.

Thirtieth—We give and bequeath to David Bickel the delightful mannerisms and love for Gennan which we find now in Robert Shartle.

Thirty-first—To Curtis Schneck we award the attractiveness and typing ability of Shirley Smith.

Thirty-second—The crew-cuts and affinity for blondes presently the property of Richard Spayd shall be transferred to Herbert Rosenberger.

Thirty-third—The needle-craft and timidity of Dorothy Spatz shall be conceded to June Stine.

Thirty-fourth—Elsie Hartman shall be accorded Katherine Stewart's ability to make friends and her zest for bowling.

Thirty-fifth—We give and bequeath Joan Wagner's blonde hair and quiet nature to Irene Parana.

Thirty-sixth—We give and bequeath a minimum of \$100 to Womelsdorf High School.

In Witness Whereof, we have hereto subscribed and affixed our name and seal, this the twenty-fifth day of May in the year of our Lord, One Thousand Nine Hundred Fifty.

FUTURESCOPE

By Redda Ropper—Hollywood's famous woman columnist

Hello folks, this is Redda again coming to you directly from Hollywood this fine January day in 1970, and bringing you all the latest news and gossip.

Did you know that Miss Joyce Behney, well-known speed typist, has just married the famous multi-millionaire, Roger Kauffman?

The United States has just been struck by the world-shaking news of Einstein's and Bloss's combined theory on the study of the Female Species and Why.

A little bird just told me that Robert Boyer and his wife, the former Betty Gross, have announced the arrival of their third set of twins! Congratulations!

The well-known surgeon, Dr. Richard Spayd, is flying to Alaska with his private nurse, Madelyn DeLong, to set up a practice there. Perhaps though, the real reason is to recuperate from his most recent love affair with the famous debutante, Miss Joan Wagner!

Dr. Donald Dengler, noted veterinarian, has just employed Misses Gloria Putt, Dorothy Spatz, Janice Brehm, and Sara Eiler to work in his new "Pussy and Puppy Hospital."

Flash!!! I have just received the spectacular news from the Olympics that Donald Dissinger has broken the world's high jump record by jumping 20 feet!

Everyone agrees that the new plastic home on Park Avenue, owned by Miss Joan Fetter, New York socialite, is quite intriguing. But most of the credit is due to the contracting company of Robert Shartle.

Dolores Moore has just sold her beauty salon and has moved to Hollywood to become the hair stylist for the famous movie star, Esther Mae Gable. Miss Gable is now playing opposite that new heart-throb, Henry Gosch, in "Wuthering Heights."

Be sure and get your tickets now for the exciting jet auto races. Come right out to the new track that playboy, Billy Grimes, opened the other day.

Last week, when I was visiting the Ohio

State Fair, I found to my pleasant surprise, an old friend of mine, Mary Manbeck, displaying her prize steer.

By the way, Income Tax time is here and if you want your taxes computed accurately, call on Mr. Edgar Seigfried at 1122 Forty-first Street.

The employer of Dentist Assistant, Dorothy Nicholas, has finally popped that all important question! After nineteen years, it's about time!

Guess what! Athlete, Jean Filbert, has just won the Women's Lightweight Wrestling Championship of the world. This is really becoming a woman's world! Congratulations Jean! But of course we must give a great deal of the credit to her able manager, Marlin Lengel.

We have a celebrity among us today, the girl jockey from Texas, Kathy Stewart. She will be racing here Saturday in the Hollywood Tea Bowl Race on her famous mare, "Mint Julep."

Guess who all the girls are swooning over in the new Broadway hit, "Make Mine Women?" You're right; the one and only "ladies' man," Richard Gerhart.

While on the subject of Broadway: the noted Shakespearian actress, petite Joanne Matthew, will play Ophelia in "Hamlet," opening soon at the Avon Theater on Broadway. I know everyone will want to see it.

I ran into that top-flight fashion model, Shirley Smith, the other day. Rumors are flying that she and news reporter, Quentin Gettel, are eloping to Europe; but neither of them will confirm this statement. Who knows?

Now for a bit of good advice for pleasant listening, tune in every Sunday over Station XYZ and listen to the Rev. Peter Grimes and his half-hour program.

It's time for me to sign off so I leave you now with this thought for you to remember:

The Road called Toil leads to the city called Success.

Planning Your School Annual

Your school annual will be just as good as the effort you put into it and the time you use in watching the details. Our sixty-five years experience in layouts and production of some of the highest award books in Eastern Pennsylvania has won for us an enviable place in this specialized field of work and we keep striving each year to improve our service and produce better books.

It has been a pleasure to have had the privilege again of servicing and printing this annual.
